

Document Organizer

Your group will be assigned to one of the following positions:

FOR the use of parental advisory labels, or
AGAINST the use of such labels.

Use the chart below to help organize the documents and the arguments they support or refute. This will help you prepare your statement and prepare for the class debate.

You may also wish to use any other materials used in this lesson, including the Twisted Sister video and Dee Snider's Senate testimony.

Document	Arguments that support your position	Arguments against your position	How will you refute the arguments against your position?
